Forecast For Tayside, Central & Fife
Issued by Met Office Aberdeen
at 0400 on Wednesday 02 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry and bright, low cloud at the coast again.

Today:
Sunny skies and some warmth still to be found through the Trossachs and Perthshire. But a fresher feel for many due to brisk easterly winds, coastal haar still possible around Fife and the Angus coast at times. Maximum temperature 22 deg C (72 deg F).

Tonight:
Low cloud and fog likely to make its way inland during the evening across Fife and Tayside but dry and clear across western parts. Minimum temperature 7 deg C (45 deg F).

Thursday:
Low cloud and fog will clear back to the coast with some dry and sunny weather likely. More in the way of cloud in the west later. Maximum temperature 19 deg C (66 deg F).

Outlook for Friday to Sunday:
A few showers possible on Saturday otherwise lots of dry bright weather and light winds. Brighter around the coast too with haar less of a problem.
